

# First United Methodist Church Garland, Texas

Hello,

I am the contact person for the Community of Christians Sunday School Class at First United Methodist Church in Garland. I wanted to personally welcome you to the church and extend an invitation to you to visit our Sunday school class. We currently are a small group of about 10 couples (and a few singles) in our late 20s and 30s both with and without children. Most couples have been married about 5-10 years and the children range in age from newborn-5 years old.

The class is taught by a different teacher each month (sometimes one of us) and it is usually a group discussion of the topic. Also, each month we have a fellowship activity to get to know each other more and enjoy each other's company. Game nights, cookouts, holiday/event parties, bowling, boating, picnics, and occasional sporting events are frequent types of fellowship. Above all, our class is an all inclusive group that desires to grow closer together and in faith. Everyone is welcome!

Our class members would love the opportunity to meet you and fellowship with you. If you would like to join us for a discussion to build faith, if you desire to be part of a community to grow with, if you need a community of resources, or if you just want to visit one morning for breakfast, then please join us an upcoming Sunday @ 9:45 in room LW23 (from Ninth St. entrance, take first right downstairs, last room on left).

Yours in Christ,

Jim Ward
